Wales Essential Skills Toolkit gives you opportunities to improve your communication and number skills. Screeners are short tests to give you a rough guide to your current skills level. • There are 15 questions in a screener, and a separate screener for each of our courses. • To begin, enter your details below, then press the button to reveal the screener links. • At the end of your screener, be sure to print your result so you can keep a record of how well you did. If you register with a college or training provider, you can take a more detailed assessment of your skills later. Organisation: None If you've not registered with a college or training provider, choose 'None' First name: demoname Date of birth: 18/01/1976 Enter your date of birth, like this dd/mm/yyyy (eg 30/09/198) Go
